No program changes for Friday – tomorrow - (yet)! Check the newsletter in the morning just in case.

## Would you like to volunteer?

Bouchercon is 100% run by volunteers. If you'd like to join us, stop by the volunteers' table in the registration area on the concourse level. We're sure to find a way you can help out.

## Book Room and Information Tables...

The book room and book signings by authors take place in Osgoode. Come visit our dealers. Get your books signed. Signings occur for one half hour after every panel. There are information tables in the foyer area between the Sheraton Panel rooms and the Grand Ballroom Panel rooms, and on the concourse level. There you will find information upcoming Bouchercons, on other cons, authors groups, and more.

And on the concourse level near registration you'll find a few publishers information tables.

## Trading Books, Collecting Bumpf

Many of us will get books we already have in our book bags. We have book-trading tables scattered throughout the convention. And there will also be tables where you can pick up and leave bumpf! But beware: If you leave things on tables not marked as book exchange or bumpf tables, it WILL be put in the garbage!
